Manufacturer provides 2 years warranty for original buyer for every part of the bike, except the normal wearing of consumable parts like tires, chains, brake pads, cables, bearings, sprockets or upholstery. Warranty excludes also: failures caused by crashes, exceeding 90kg of user's weight limit, use for downhill race, jumping, performing stunts, riding on stairs, rock gardens, use in professional sports or any other kind of use that was not intended by manufacturer.

* **Field required:** I have read, noticed and understood that it's a recreational equipment. By sending this formular I accept disclaimer above with all its future consequences.
